ITEM 8.01 OTHER EVENTS

On November 8, 2023, MGM Resorts International ("the Company") announced that its Board of Directors had authorized a new \$2.0 billion share repurchase plan, pursuant to which the Company may, from time to time, purchase shares of its common stock. The share repurchase plan will terminate when the aggregate cost of shares repurchased under the program reaches \$2.0 billion. Share repurchases may be executed through various means, including, without limitation, open market transactions, privately negotiated transactions or otherwise. Repurchases of common stock may also be made under a Rule 10b5-1 plan, which would permit common stock to be purchased when the Company might otherwise be precluded from doing so under insider trading laws. The timing, volume and nature of stock repurchases will be at the sole discretion of the Company, dependent on market conditions, applicable securities laws, and other factors, and may be suspended or discontinued at any time. The share repurchase plan does not obligate the Company to purchase any shares. The authorization for the share repurchase plan may be terminated, increased or decreased by the Company’s Board of Directors in its discretion at any time.
